Invoice Notes

Please be advised that the invoice is due in full prior to your campaign.

CoinDesk accepts all forms of payment, including bitcoin via BITPAY, wire transfer.

Please be sure to **include your invoice number with your payment** so that it is processed correctly.

For payments made via **wire**, please include your invoice # in the memo or payment instructions (originator to beneficiary instructions) section of your bank remittance window. Payment is expected to be for the **full amount of the invoice** (deductions for wire transfer fees are not acceptable).

If the billing name on your IO differs from the name on your bank account, **to ensure proper application of your payment**, please send remittance advice to: ar@coindesk.com.

If you would like to pay with **credit card**, please email ar@coindesk.com to initiate those payments.

(Note that you will be charged a 4% processing fee should you decide to pay your balance with a credit card.)

If you would like to pay with **crypto/bitpay**, please email ar@coindesk.com to initiate those payments.

(Note that you will be charged a .8% processing fee should you decide to pay your balance with Bitpay. Coinbase is also available for a 1% Fee.)
