I. MANAGEMENT STATEMENT OF AFFIRMATION

The Management of STT Assets Limited (the "Company") hereby issues this Transparency Report regarding the physical silver-backed digital asset, SilverTimes Token (\$STT).

As of **July 15, 2026, at 11:59 PM UTC**, the Management affirms the following:

- **Physical Custody Reserves:** The Custodian, Brink's Hong Kong Limited, holds secure physical silver bars with a net weight of **1,019.32330 kg** for the exclusive account of STT Assets Limited.
- **Tokenized Liabilities:** \$STT tokens in circulation stand at **32771.957 \$STT** (Equivalent to 1,019.32330 kg based on parity 1 \$STT = 1 Troy Ounce).
- **Collateralization Parity:** The backing ratio is maintained strictly at **100%**. For every token minted, an equivalent weight of silver is securely vaulted.
- **Asset Allocation:** Physical consignment is assigned under Brink's reference track **AG42840 (Pallet #11B, 12)**.

II. RESERVES SUMMARY

FINANCIAL ITEM	ASSET METRIC DETAILS	WEIGHT (KG) / AMOUNT
Physical Inventory	Vaulted with Brink's Hong Kong	1,019.32330 kg
Token	Circulating \$STT on Blockchain	32771.957 \$STT tokens (1,019.32330 kg eq.)

* Valuation determined using LBMA spot pricing at the time of snapshot.

III. PROTOCOLS & ACCOUNTING POLICIES

1. Issuance and Minting Flow

STT Assets Limited operates under a strict "Deposit-Before-Mint" framework. The Company only initiates the cryptographic creation (minting) of \$STT tokens after physical silver inventory shipments matching the corresponding net weight have successfully cleared the intake, verification, and weighting protocols of the secure depository partner.

2. Legal Ownership Architecture

The underlying physical silver bars have been placed in a Trust structure and stored within the secure vaults of the Custodian. The beneficiary ownership of silver belongs to the \$STT token holders.

3. Inventory Quality and Custody Controls

All physical inventory conforms to strict commercial quality assurance requirements of "London Good Delivery" set by the London Bullion Market Association and is stored under premium institutional conditions at the Brink's Hong Kong Vault.

IV. MANAGEMENT APPROVAL

1. Point-in-Time Constraint

The data points compiled in this transparency report are strictly limited to a snapshot view as of June 30, 2026.

2. Digital Asset Industry Environment

The digital token ecosystem is a highly innovative and rapidly shifting market sector. Participants must independently evaluate the systemic risks, operational uncertainties, and changing regulatory criteria of the digital asset space within their respective jurisdictions before interacting with these tokens.
